### Narrative

Sample results only relate to the sample received at the laboratory and analytes of interest tested.

#### **Work Order: 16F0791**

The samples were received on 06/17/16 14:45. The samples arrived in good condition and properly preserved. The temperature of the cooler at receipt was

Cooler	Temp C°
Default Cooler	25.0

Refer to Qualifiers and Definitions for quality and analytical clarifications or deviations.
